INFORMATION DISCLOSURE STATEMENT

Sir:

A Request for Continued Examination is filed concurrently herewith.

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO-1449. Copies of the non-U.S. patent documents were submitted with an Information Disclosure Statement filed on July 14, 2006 in the above-identified application and can be accessed through the electronic file wrapper.

The Office Action mailed November 14, 2008 stated that certain references cited in the Information Disclosure Statement filed on July 14, 2006 were not considered by the Examiner because "no English translation of the corresponding abstracts or specifications were supplied." However, that Information Disclosure Statement made

reference to the International Search Report and to the subject specification, with respect to a concise statement of relevance. Nonetheless, Applicant herewith supplies corresponding English abstracts of the listed documents.

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
